TO WHOMSOEVER IT MAY CONCERN**SUB-Proposed plant Capacity Utilization MIS Report of M/S Dhaval Packaging Ltd.**

This is to certify that **M/S Dhaval Packaging Ltd.**, located at Plot No. E-411, E-412, E-413, Phase-2 Sanand, GIDC Ahmedabad-382110, (Guj) and i have physically Verified the Machineries including Equipment & Utilities lying at site, for the purpose of all machines production output with max capacity utilization and overall plant capacity utilization is mentioned with breakup form as listed below-

MIS FACTORY UTILIZATION DATA OF DHAVAL PACKAGING LTD.			
Year	Installed Capacity per day KG	Actual Production per day IN KG	Capacity Utilisation %
FACTORY 1 (PLOT NO - 411)			
FY2025-2026 AS ON JUNE25	4500	4025	89%

The Capacity utilization of all machines and overall plant has been carried out on the basis of my personal inspection, knowledge, experience and the documents and evidence produced before me by the company officials.

This certificate is generated and issued to customer based on his own request for manufacturing facility of the company in best engineering practice only without prejudice to anybody.

Your's Sincerely,

18/11/25.
