INDEPENDENT AUDITOR'S REPORT

TO,

THE MEMBERS OF

DHAVAL PACKAGING PRIVATE LIMITED

Report on the audit of Financial Statements :

Opinion

We have audited the accompanying financial statements of **DHAVAL PACKAGING PRIVATE LIMITED**. ("the Company"), which comprise the balance sheet as at March 31, 2024, and the Statement of Profit and Loss and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit/loss and cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the financial statements.

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate, makes it probable that the economic decisions of reasonably knowledgeable user of financial statements may be influenced. We consider quantitative materiality and

qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order **"Annexure A" to the Independent Auditors' Report**
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

DHAVAL PACKAGING PRIVATE LIMITED
Notes Forming Integral Part of the Balance Sheet as at 31st March, 2024

Note : 1 Significant Accounting Policies

A Corporate Information

Dhaval Packaging Private Limited (the "Company") is a Private Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Further Company is engaged in Manufacturing of Plastic Packing Material and other Allied products. The registered office of the Company is located at Sanand, Ahmedabad, Gujarat

B Basis of Preparation

The Accounts are prepared on historical cost basis and based on accrual method of Accounting and applicable Accounting Standards notified under the Companies (Accounting Standards) Rules, 2021 (as amended) and relevant provision of the Companies Act, 2013.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

C Use of Estimates

The preparation of financial statement in conformity with Indian GAAP requires the management to make estimates and assumptions to be made that affect the reported amount of assets and liabilities and disclosure of contingent liabilities on date of financial statement and the reported amount of revenues and expenses during the reporting period. Difference between the actual result and estimates are recognised in the period in which the results are known / materialized.

D Property, Plant and Equipment:

a) Tangible Fixed Assets are stated at cost of Acquisition or construction less accumulated depreciation. The cost of fixed assets includes non-refundable taxes and levies, freight and other incidental expenses related to acquisition and installation of the respective assets.

b) The Company evaluated the impairment losses on the fixed assets, whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. If such assets are considered to be impaired, the impairment loss is recognised for the amount by which the carrying amount of the assets exceeds its recoverable amount. For the purpose of assessing impairment assets are grouped at the smallest level for which there are separately identifiable cash flows.

E Depreciation and Amortisation

Depreciation on fixed assets is provided on Written Down Value (WDV) Method in accordance with provision of the Companies Act, 2013 at the rate and in the manner prescribed in schedule -II of the said Act.

F Investment

Investment which are readily realizable and intended to be held for not more than one year from the date on which such investments are made are classified as current investments. All other investments are classified as long term investments. Long term Investment are stated at Cost and provisions is made to recognise any diminution in value, other than that of temporary nature.

G Inventories

a) Raw Materials, Process Stock and Finished Goods are valued at lower of cost or net realisable value.

b) Cost for Raw materials is determined on FIFO basis, net of Input credit availed.

c) Cost for Finished Goods and Process Stock is determined taking material cost (Net of input credit availed) labour and relevant appropriate overheads.

H Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

Sale of Goods

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects Goods and Service Tax on behalf of Government and therefore these are not economic benefits flowing to the company. Revenue from sale does not include other recoveries, if any, such as insurance charges, transportation charges, etc.

Interest Income

Interest Income is recognised on a time preparation basis taking into account the amount outstanding and the applicable rate of interest. Interest Income is included under the head "Other Income" in the statement of Profit and Loss.

Dividend

Dividend income is recognised when the company's right to receive dividend is established by the reporting date.

I Useful life and residual value of plant, property equipment:

The useful life and residual value of plant, property equipment are determined based on evaluation made by the management of the expected usage of the asset, the physical wear and tear and technical or commercial obsolescence of the asset. Due to the judgements involved in such estimations the useful life and residual value are sensitive to the actual usage in future period.

J Foreign Currency Transaction

Transactions in foreign currency are recorded at the exchange rates prevailing at the time the transactions are affected. The gain or loss due to exchange rates prevailing at the year end, if any, is taken into account. Exchange difference related to fixed assets are adjusted in cost of fixed assets. However, no foreign currency transaction has been made during the period.

K Employee Benefits.

The contribution to the provident fund are charged to the statement of profit and loss for the year when the contribution are due. Gratuity liabilities is determined on the basis of actuarial valuation of each year end.

Accumulated leave, which is expected to be utilized within next 12 months, is treated as short-term employee benefit. The company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. The company treats accumulated leave expected to be carried forward beyond 12 months, as long-term employee benefit for measurement purpose.

The company treats accumulated leave expected to be carried forward beyond 12 months, as long-term employee benefit for measurement purpose.

L Borrowing Cost

Interest and other costs in connection with the borrowing of the funds to the acquisition / construction of qualifying fixed assets are capitalised upto the date when such assets are ready to intended use and other borrowing costs are charged to Statement of Profit and Loss.

M Taxes on Income

Tax expense comprises current tax and deferred tax. Current Tax is the amount of tax payable on the taxable income for the year as determined in accordance with provision of Income Tax, 1961.

Deferred tax resulting from 'timing difference' between accounting income and taxable income originating during the current year and reversal of timing difference of earlier years using the tax rates and laws that have been enacted or subsequently enacted as on reporting date. Deferred Tax Assets are recognised and carried forward only to the extent there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

N Leases

a) Assets acquired under lease where the company has substantially all risk and rewards incidental to ownership are classified as finance leases. Such assets are capitalised at the inception of lease at the lower of fair value or present value of minimum lease payment and liability is created for an equivalent amount. Each lease rental is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability of each period.

b) Assets acquired on lease where a significant portion of risk and rewards incidental to ownership is retained by the lessor are classified as operating lease. Lease rental are charged to the Statement of Profit and Loss on accrual basis.

O Earning Per Share

The Company reports basic and diluted Earning Per Share (EPS) in accordance with Accounting Standard 20 on Earning Per Share. Basic Earning Per Share is computed by dividing the Net Profit for the year by the weighted average number of equity shares outstanding during the year. Diluted Earning Per Share, the net profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

P Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

Company has filed the GST APL-01 form with GST Authority on 12/10/2022 against the order appealed for. Company's case under Dispute of Rs. 296890/- for E- Way bill Part-B Mistake, further summary of the same is as under :-
